AMENDMENT

Honorable Commissioner of Patents and Trademarks
Washington, D.C. 20231

Sir:

This is a supplemental amendment, further in response to the office action mailed December 15, 2005. The day that Inventor sent in the most recent Amendment on 9-23-05, Inventor attempted to send the amendment by fax, however, the fax machine ran out of memory and was sent in only partially. So, Inventor mailed it in by Express Mail. Inventor would very much appreciate it if Examiner would accept this Amendment. Inventor believes he has complied with all of Examiner's requests.
